To: Potential Carriers and Owner/Operators

Thank you for the opportunity to serve your freight transportation needs. We are here to benefit both shippers and carriers. Our company is based on strong ethical standards and excellent service.

Our staff is here to provide financial assistance to carriers by advancing fuel money and prompt payment to carriers upon receipt of clean bill of lading. We believe that by developing strong relationships with our customers and carriers we are helping to provide the highest quality of service possible in the industry.

All carriers and owner/operators are required to complete the attached application; provide an Insurance Certificate with required limits and information; provide either Workers Compensation Insurance or enclosed Exempt Affidavit; complete and sign the attached Broker/ Carrier Agreement; provide a W-9, DOT number and a copy of your MC authority.

Communication is the key to success. Please keep in touch with your broker and communicate with them as instructed when moving a load of freight.

Again, we look forward to serving you. If you have comments or questions, please feel free to contract us.

Thank you,

Management
